

# The Whey to a Great Body

- Pure Whey Protein Isolate
- Carb Conscious (Only 6 net carbs!)

It's no secret that whey isolate is the world's most powerful protein for building rock-hard mass. Now, getting this super protein is easier and more enjoyable than ever with the amazing new Supreme Protein bar from ProSource. And the best part is, this ultra-pure protein also helps give it its truly delicious gourmet candy bar taste that bodybuilders everywhere are raving about.
